IED SUMMER SCHOOL

IED Summer School is in Florence, Barcelona, Rio de Janeiro, Milan, Rome, Turin, Venice and Madrid and offers a unique learning opportunity to combine IED design methodology with a deep immersion in the vibrant culture and lifestyle of the hosting city.

IED Summer courses provide the opportunity to learn from the best industry professionals in a hands-on education experience that lasts from one to four weeks. This exposure enriches your CV, allowing you to gain new professional skills and earn academic credits.

IED SUMMER SCHOOL

Are you looking to challenge yourself by furthering your abilities in Fashion, Design and Visual Arts? Spend your Summer at IED!

You can choose from a variety of courses:

KIDS COURSES

Madrid only

At IED Junior Academy we want the world of design to be accessible to everyone, including the youngest (9-13) students. For this reason we gave life to IED summer kids courses.

JUNIOR COURSES

Spain only

An excellent introduction to the design world for the youngest (14-18) students.

INTRODUCTORY COURSES

Preparatory courses specifically designed for students with no prior knowledge or experience in the discipline. A good way to transit to a IED Bachelor or Semester Course.

ADVANCED COURSES

Designed for students with basic skills or professional expertise in the area of study, and who are interested in developing their professional portfolios through real creative projects.

PROFESSIONAL COURSES

Short modular courses in highly specific topics, designed for young professionals who want to grow.

ADMISSION AND ENROLMENT PROCESS

HOW TO APPLY

IED Admission process is easy, fast and safe! A dedicated IED Admission Advisor will assist you through the whole process. Choose your course on ied.edu/summer, request information or **Apply Online**, complete your personal information, upload documents, wait for admission confirmation and book your place.

LANGUAGE REQUIREMENTS

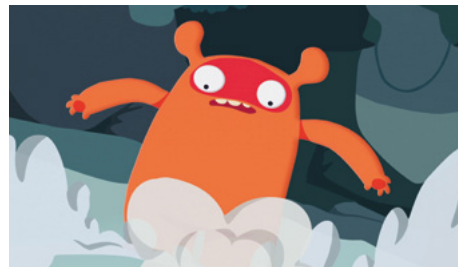

A high intermediate level of English is required in order to enroll in one of our summer programmes. Level 5.0 IELTS (61 TOEFL IBT or equivalent) or above is requested. Courses in Spanish require the same level of proficiency.

PORTFOLIO

For Advanced and Professional courses a portfolio may be required.

DEADLINE

Summer admissions close on April 15th. After this date IED does not guarantee access to the course. Check with your Advisor the availability of places.

USEFUL INFORMATION

CLASS SCHEDULING

Italy

From Monday to Thursday/Friday on a full-time basis (10 am to 5 pm). Each course has a duration of 75 hours spread over 2 or 3 weeks shared through work on site around the city, theoretical lessons and visits to fairs and museums.

Barcelona

From Monday to Friday, on a part-time basis either in the mornings (10 am to 3.15 pm) or in the afternoons (4.15 pm to 9.30 pm). Each course has a duration of 50 to 100 hours, spread over 2, 3 or 4 weeks.

Madrid

From Monday to Friday, on a part-time basis in the afternoons (4.30 pm to 9.30 pm). Each course has a duration of 50 to 100 hours, spread over 2, 3 or 4 weeks.

SITE VISITS AND FIELD TRIPS

You will complete a great deal of research and group project work outside of the classroom. Each course integrates relevant and rewarding visits to showrooms, studios, galleries and time to meet and speak with industry leaders. Due to the experiential nature of the teaching philosophy, class meeting times may change due to company visits, availability of outside speakers or participation in special events.

CREDIT TRANSFER

If you are seeking university credits for the summer course you should contact the international education office at your home institution, find out the transfer credit procedure and have the course work pre-approved by your home institution. At the end of the course you may request an official IED transcript that may be used for credit transfer. The IED transcript details the course title, analysis of contact hours and instructor evaluation.

ACCOMMODATION

IED facilitates good-quality accommodation for all students' budgets and requirements - diverse options are available in each campus. A dedicated office in each IED city will help you with the choice and the booking.

FACILITIES

Classrooms, Common Areas and Labs

IED classrooms are equipped with the latest technology and each campus has open computer workspaces with Mac OS X and Windows systems as well as all necessary softwares. Specialised laboratories for each subject are available for students to conduct their research and work.
