IED SCHOLARSHIPS

TOPIC OF THE CONTEST

Describe yourself creatively

Think, research, design! Awake your imagination!

Do you have a creative mind? If so IED Italy and IED Spain invites you to participate in the Semester and Academic Year/One Year scholarship competition and give shape to your ideas.

Based on your creativity and the artistic and cultural references you love most, develop a visual story about yourself, using the techniques and expressive tools you are most confident in, so as to express the value of your project: drawings, collages, photographs, images or videos.

Develop your project based on the following questions:

1. How would you define yourself?
2. What are you passionate about?
3. Why would you like to study in Italy or Spain?

Focus on something related to the Semester or Academic Year/One Year course you are interested in and write a short text, of about 2000 characters, to tell the reasons behind your proposal and the creative process that guided your work. For each question you should develop at least 2 photos, pictures or drawings.
